The General Committee of the Kennel Club has approved a recommendation which requires exhibitors to display the exhibit/bench number on their crate, cage or container at all times. This is particularly important when cages etc. are not on benches, and at unbenched shows.

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose

At benched shows soft crates may only be put on benches if they are the appropriate size for both the dog and the bench, and the crate can be securely attached to the bench
